AURA II

FAN

AURA II, with the exclusive Tacens Fluxus II high-technology, offers maximum performance and cooling, even under extreme conditions.

Silence is our core idea and AURA II includes anti-vibration screws, to avoid any kind of noise produced for undesired vibrations.

Available in three different sizes, 8, 9 & 12 cm, has been designed to last, thanks to its dust proof design and its high quality cable sleeving, that also increases fan's protection.
