IXION

CASE

Elegant design in glossy black and its compact size are this IXION mini ITX case's symbol of identity. Manufactured in durable and light-weight SGCC metal, IXION has a 5,25" bay with cover, for a perfect looking.

This small tower has a great expansion capacity with 4 drive bays (1x5,25" & 3x3,5") and place for graphic cards up to 290 mm.

IXION also includes a SFX Radix 300W power supply, that has PFC for an ultra-silent and safest performance.
