ALU

CASE

ALU mid-tower case stands out for its elegant front panel, with brushed aluminium finishing. A high-quality material for a durable and lightweight chassis, with perfect nos-sharp safe edges.

ALU supports four 5,25" drive bays, 2 internal and 2 external, and another four of 3,5", 3 internal and 1 external.

Its high capacity allows to install high-end graphic cards, up to 380mm, and a superior cooling system. ALU, apart from the 8 cm fan included, has space for up to two 12 cm fans.
